Paddle hard STAY AND PLAY

welcome to paradise

For the past decade Hekili Outriggers has welcomed paddlers from all over Australia to Cairns.

They've come to challenge themselves against one of the toughest iron courses and most exhilarating downwind runs anywhere. Less experienced paddlers have had mini G to get a taste of downwind action and a step-up to the big G.

But one thing has always been missing. By the time we have packed up and the paddling is done, it's time for everyone to go home. And so the idea evolved.

This year we're splitting two great races over consecutive weekends and offering a 'Paddling in Paradise' package with extra activities.

Opt in or out at your leisure, join us for club training and a special twilight paddle while soaking up the natural wonders of our region.

To book your place, call Charlie on 0406 699 506.
